Family Fun Day

Family FunDay is FUTFS's annual fundraising event. The whole family, from children to the elderly, can participate. Through this event, the preciousness and love of family can be shared, and families will get the satisfaction of working together to achieve something. It is also an opportunity for different families to socialize with each other. The event is a meaningful time to bring pride as Koreans and contribute to the development of Korean families and Canadian society. It will provide a time for all to let go of the hardships and difficulties caused by COVID-19 by working and spending time together.

FUTFS's Service

FUTFS is a non-profit charitable organization run by dedicated volunteers and support from the Korean and Canadian communities, providing family and social welfare services. For those who need counseling in a crisis situation, there is a 24hour emergency telephone counseling service and remote counseling by phone for individuals, families, couples, and groups. It also provides educational services, outreach counseling services, interpretation and translation services. In collaboration with other social services agencies in the GTA, we provide programs and services that encourage healthy lifestyles and leadership development for children, adolescents, parents, seniors, single parents, and families in the Korean community. We continue to develop more advanced services for families through evaluations and surveys of our programs and services

Hanbok Fashion Show Contest

This event is planned to promote and enjoy Korean culture and traditional hanbok. The whole family can attend, even non-Koreans. Because hanbok is the traditional clothing of Korea, it is a meaningful time to promote hanbok and experience its beauty.

* Hanbok is not provided. Please bring your own Hanbok
